

MIDDLE SCHOOL READERS RUMBLE

2026

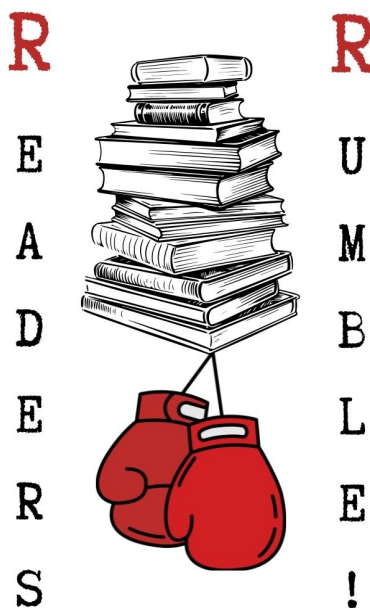

Armbrae Academy and Agricola Street Books welcome you to the
3rd Annual Middle School Readers Rumble!

The Middle School Readers Rumble is a half-day team reading trivia challenge for students in **Grade 7 to 9** within Nova Scotia. Students are encouraged to read widely from the list on the back to prepare. All answers to plot-based trivia questions will be the **book title** and **author**. Though the Readers Rumble is a friendly competition, stoking the passion of lifelong readers will always be the goal.

Team registration opens in September, 2025 for the April, 2026 main event...

Let's get ready to Rumble!

NOTE: Our reading list is carefully curated to reflect a diverse and balanced range of voices. Books marked **14+** may include mature themes. Educators and parents are encouraged to use discretion when recommending these titles.
